PRELIMINARY AMENDMENT

SIR:

Prior to examination of the above-identified application, amend the application as

follows:

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 15, line 6, with the following amended paragraph:

--A messaging application 62 on mobile terminal 10 enables network access and localized support functions for a player to play a networked game, including the programming of predefined messages, including the creation or modification of the predefined messages, in accordance with the invention. Depending on how the game platform 40 is implemented,
